TO WHOM IT MAY CONCERN

Mason WAIRAU

has been employed by this company since 1986, employed as an indentured painting and paperhanging tradesman.

Mason started with us in 1986 as an apprentice, after serving the first year of his trade at the Maori Affairs block course.

On completion of his apprenticeship, he has continued his employment with us.

Mason is of a quiet disposition, with a strong character and a willingness to get on with whatever task is set him.

During his time of employment with this company he has always been punctual in his attendance, has had a courteous attitude to our clients and has always got on well with his fellow workers.

Our company is often employed by the Christchurch School of Medicine and by the Education Ministry on contracts involving security procedures. Mason has been accepted by these organizations, to work in these areas and I can personally recommend his integrity, with regard to security and his sensitive nature to matters personal and cultural.

Mason has played senior rugby and is also involved in softball and Maori cultural activities.

I can recommend Mason's behaviour, workmanship, attitude and trust to any future employer.

Yours faithfully,  
JOHN WATKINS LTD.

Peter Grant  
Manager.
